

LEADERSHIP UNIVERSITY

WHY: Give your students a blast of HOSA energy and enthusiasm to start off their year.

WHO: **All students** are welcome to attend **LEADERSHIP UNIVERSITY**, or as we affectionately call it '**LEADERSHIP U**.' Students need not be in HOSA to attend. If students are interested in healthcare, leadership development, or professional growth, they won't want to miss **LEADERSHIP U**! We strongly encourage instructors to bring each and every student, HOSA members and non-members.

WHAT: **LEADERSHIP U** is Michigan HOSA's first state-wide fall leadership conference. Students and advisors attending **LEADERSHIP U** will gain knowledge from healthcare's top leaders. **LEADERSHIP U** offers over 25 first-class breakout sessions that are sure to make an impact. Breakout sessions consist of topics related to the most important issues pertaining to today's healthcare field. In addition to health related topics **LEADERSHIP U** offers multiple sessions related to leadership skills and professional development.

As a special bonus to our advisors, teachers will have access to nursing and education CEU's.
