If a student does not bring a photo ID, the student's advisor may be asked to report to the event manager or HOSA Headquarters and verify the student's identity.

- All teams will take the Round One written test at the conference. This is NOT an online test and is NOT an open note/book test. Please check the schedule/conference program for when and where your test is.
- The Round One test will NOT be used as a qualifier for Round Two. All teams will advance to the second round. Test scores will be added to the presentation scores for final placing.
- For Round Two, please report to the room at the time listed in the conference program (available at the conference). Event manager(s) will check competitors in. Depending on the number of participants and sections, event managers may give competitors an appointment time to come back instead of waiting by the room.
- Teams will follow the Round Two process listed in the event guidelines (pages 2-3). Teams will be given a secret topic and will have 20 minutes to problem solve and prep for presentation. Then teams will move to the meeting room where they will present to judges (5 minutes).
- Please do not shake judges hands to help prevent the spread of germs.
- A timekeeper will not be provided for this event. Judges have been instructed to inform competitors of the time(s) remaining.
- Judges will use the Rating Sheet provided in the Dynamic Decisions event guidelines (www.hosa.org/guidelines).
- Because this is a team event, competitors MUST compete in-person with the maximum/minimum number of members listed in the guidelines. No more, no less.
