Dress Code:

As Future Health Professionals, HOSA members should present themselves in a professional manner. **Follow the dress code listed in your event's competitive event guidelines!** Bonus points will NOT be awarded, but event managers will make note if competitors are NOT in proper dress which could result in overall point deduction. For more information on acceptable dress code, [see here](#).

General Regional Conference Reminders:

- If students need specific accommodations, [this form must be filled out](#) by the conference registration so we can see if accommodations can be made. These accommodations must be submitted via this form.
- **Competitors MUST present a photo ID or proof of identity when checking in to their competitive event.** A clear picture of a photo ID is acceptable. If a student does not bring a photo ID, the student's advisor may be asked to report to the event manager or HOSA Headquarters and verify the student's identity.
- Michigan HOSA members can compete in only ONE competitive event. At the State and International levels, they can compete in their competitive event and as many Recognition events they want.

- Teams MUST compete with the number listed in the event guidelines. No more, no less. If it is a two person team event, you must compete with two people. If the student cannot find a last minute replacement, we will allow them to participate in another event at Regionals, such as a knowledge test.
- If you have specific questions about your competitive event, first, look at the [event guidelines](#). If you did not find your answer, please email samantha.pohl@mhc.org or hosa@mhc.org.
