

Extemporaneous Writing - Health Policy

2023-2024 MICHIGAN HOSA EVENT MODIFICATIONS FOR REGIONAL CONFERENCES!

New for 2023 – 2024

The focus of this event has changed to Health Policy Writing instead of an essay about a HOSA/health topic. The secret topic received at competition will be about an item related to health policy. Competitors will be required to write a letter of support or opposition to the given topic which would be shared with the relevant policy maker(s). Competitors are encouraged to bring personal devices so firewalls on school issued devices do not create barriers for competitors.

These guidelines are written for ILC. States may modify events or have different event processes and deadlines. Be sure to check with your Local/State Advisor (or state website) to determine how the event is implemented for the regional/area or state conference.

These guidelines are specifically for Michigan HOSA members in preparation for the regional leadership conferences. For more information about regionals, please visit www.michiganhosa.org/regionals.

Event Summary

Extemporaneous Writing – Health Policy provides HOSA members with the opportunity to gain knowledge and skills required for writing an effective letter to a policy maker. Competitors in this event will receive a secret topic on the day-of competition that outlines a relevant health policy or issue, with supporting details. Competitors will draft their letter in 60 minutes to submit for judges. This event aims to inspire members to learn more about current health policy and feel empowered to make a difference by voicing their opinions on important health topics to applicable decision makers to effect change.

Dress Code

Competitors must be in official HOSA uniform or in proper business attire. Bonus points will be awarded for [proper dress](#). Final Scoring

Sample Topic:

You are a HOSA student in Montana. The current legislative session is hearing HB-300: Revise Education Laws Related to Career and Technology Student Organizations.

HB-300 expands funding for seven CTSOs (Career and Technology Student Organizations) in the state, including HOSA. The bill would give \$500,000 total to the CTSOs in the state. Proponents of the bill argue that the funding is vital to assisting CTSOs in their work with students and that investing in education is always a good decision. Opponents of the bill argue evidence is lacking for the effectiveness of CTSOs and that the money would be better spent and managed elsewhere.

*You are to write a letter of support or opposition to HB-300 addressed to:
Senator Marie Wilson
