- Login credentials will be emailed to you and your HOSA advisor the week of March 18.
- **All tests are open book/open note. This does not mean taking tests with classmates. These tests are meant to test your INDIVIDUAL knowledge on the subject. Proctors are not required for testing.**
- Tests can be taken on a smartphone, tablet or computer. Please ensure you have a stable internet connection to reduce online testing issues.
- Competitors can only take the test between the times listed in the schedule. After posted times, the online test will be closed.
- **Competitors CANNOT login to the online test until the exact time listed in the schedule.** For example, if the test opens at 9:00AM, you will not be able to login until 9:00 AM. If you login at 8:59 AM or before, the system will not let you take the test.
- It does not matter when you start your test in the time listed in the schedule, as long as you start the test within the two hours listed. For example, if the test is open from 9:00

2024 MI HOSA State Leadership Conference Recognition Events- ALL Virtual

AM-5:00 PM, you can login at 4:59 PM and will still be given the full amount of time for the test.

- If you have any issues logging in, accessing online testing, or if you did not receive password and login information, please call (517) 347-8088 or (517) 677-7480 immediately.

Pro Tip:

Competitors should make sure they have their testing login credentials prior to their testing date and time.

Login credentials are case sensitive. Please make sure you are typing in the username and passwords correctly. Again, you can only login during the testing window! Do not try and “practice” logging in prior to the testing time because it will not work.
