Tournament Preparation & Rules

—————>

What to Expect

Each team will register for a 20-minute time slot in the Tournament Preliminary Round where they will:

- Receive an introduction to the Anatomage Table
- Take practice quizzes to become familiar with Table Quiz functions
- Complete Tournament Round Quiz by identifying anatomy structures by name and identifying anatomy structures by their main description/function.

How to Prepare

- We recommend studying anatomy using a method that works best for you including apps, models, or with Anatomage Technologies. You will be tested using a real, authentic cadaver from the Anatomage Table.
- Instructors can request access to **Anatomage Lessons**, which uses the same cadavers featured in the Tournament.
- Anatomage Lessons provides students access to 2 cadavers as well as videos and exploratory exercises. Instructors can contact Lessonsinquiry@anatomage.com to claim free access to Anatomage Lessons to aid in studying anatomy.
