General Regional Conference Reminders:

- Michigan HOSA members can compete in only ONE competitive event. At the State and International levels, they can compete in their competitive event and as many Recognition events they want.
- Teams MUST compete with the number listed in the event guidelines. No more, no less. If it is a two person team event, you must compete with two people. If the student cannot find a last minute replacement, we will allow them to participate in another event at Regionals, such as a knowledge test.
- If you have specific questions about your competitive event, first, look at the [event guidelines](#). Second, check the specific event modifications link at the top of this page for any specific notes we have about the event for the regional level. Third, check out the [Competitive Events FAQs page](#). If you did not find your answer, please email samantha.pohl@mhc.org or hosa@mhc.org.
