

## Region 2 Appointment Times (updated 1/23/24 3:00pm)

These are the only events that have appointment times. If your event is NOT listed below with an appointment time, please report to the room at the time listed in the schedule. If your appointment time does not work for you for whatever reason, please report to your event at the start time and talk with the event manager and ask for a different time and they will try to accommodate you. Michigan HOSA will NOT be posting new appointment times. This is simply a rough estimate of when people will be competing in events.
