## 2023-2024 MICHIGAN HOSA EVENT MODIFICATIONS FOR REGIONAL CONFERENCES!

### New for 2023 – 2024

This is a new event.

These guidelines are written for ILC. States may modify events or have different event processes and deadlines. Be sure to check with your Local/State Advisor (or state website) to determine how the event is implemented for the regional/area or state conference. These guidelines are specifically for Michigan HOSA members in preparation for the regional leadership conferences. For more information about regionals, please visit [www.michiganhosa.org/regionals](http://www.michiganhosa.org/regionals).

### Event Summary

Foundations of Veterinary Science provides Middle School members with the opportunity to gain knowledge and skills required for basic knowledge and first aid of animals. This competitive event consists of 2 rounds. Round One is a written, multiple-choice test and the top scoring competitors will advance to Round Two for the skills assessment. This event aims to inspire members to learn more about the field of veterinary care. **At the regional level, all teams will advance to the round two- skill round. The test scores will be combined with the skill scores for final rating.**

### Sponsorship

This competitive event is sponsored by the [American Association of Veterinary Medical Colleges](#)

### Dress Code

Competitors shall wear proper business attire or official HOSA uniform or attire appropriate to the occupational area during testing. Round 2 skill events require attire appropriate to the occupational area be worn. Bonus points will be awarded for [proper dress](#).

### Competitor Must Provide:

- A [photo ID](#)
- Two #2 lead pencils (not mechanical) with eraser for both rounds
- Exam non-latex gloves

**At the regional level, teams can wear the occupational appropriate attire to test in, in addition to the skills. They do NOT need to change into business attire to take the test. Bonus points will not be added for proper dress, but judges/event managers will make note**

if competitors are NOT in proper dress which could result in overall point deduction.

### General Rules

1. Competitors in this event must be active members of HOSA and in good standing.
2. **Eligible Divisions:** Middle School ONLY (in grades 6-8 during the 2023 -2024 school year) are eligible to compete in this event.
3. Competitors must be familiar with and adhere to the "[General Rules and Regulations of the HOSA Competitive Events Program \(GRR\)](#)."
  - A. Per the [GRRs](#) and [Appendix H](#), HOSA members may request accommodation in any competitive event. To learn the definition of an accommodation, please read [Appendix H](#). To request accommodation for the International Leadership Conference, [submit the request form here](#) by May 15 at midnight EST.
  - B. To request accommodation for any regional/area or state level conferences, submit the request form [here](#) by your state published deadline. Accommodations must first be done at state in order to be considered for ILC. **Regional accommodations MUST be submitted two weeks prior to your regional conference date. Email [Samantha.pohl@mhc.org](mailto:Samantha.pohl@mhc.org) for questions.**
4. All competitors shall report to the site of the event at the time designated for each round of competition. At ILC, competitor's [photo ID](#) must be presented prior to ALL competition rounds. **Event managers will be checking photo IDs at the regional level as well. A digital copy of a photo is appropriate (i.e. picture on phone of photo ID on school portal).**

American Red Cross Pet First Aid App
  
3. What is the normal respiratory rate for a hamster? (Lawhead pp 84)
  - A. 12
  - B. 26
  - C. 74**
  - D. 90

**Round Two Skills Highlighted in yellow are the two skills that will be evaluated at the regional level.**

14. Round Two is the performance of a selected skill(s). The skills approved for this event are:
- |                 |  |                  |
|-----------------|--|------------------|
| <b>Skill I:</b> | <b>Identification of Companion Animal Breeds/Species</b> | <b>8 minutes</b> |
| Skill II:       | Wound Care for Abrasions (on either DOG OR CAT)          | 7 minutes        |
| Skill III:      | Pad Wound Care (on either DOG OR CAT)                    | 7 minutes        |
| <b>Skill IV</b> | <b>Tick Removal (on either DOG OR CAT)</b>               | <b>7 minutes</b> |

**(FOR ALL SKILLS, BODY FLUIDS WILL BE A SIMULATED PRODUCT & LIVE ANIMALS ARE NOT USED)**

15. Skills I may be administered with the Round One written test.
16. The selected skill(s) will be presented to competitors as a written scenario at the beginning of the round. The scenario will be the same for each competitor and will include a challenging component that will require the competitors to apply critical thinking skills. A sample scenario can be found [here](#).
17. Timing will begin when the scenario is presented to the competitors and will be stopped at the end of the time allowed.
18. The scenario is a secret topic. Competitors MAY NOT discuss or reveal the secret topic until after the event has concluded or will face penalties per [the GRRs](#).
19. Judges will provide information to competitors as directed by the rating sheets. Competitors may ask questions of the judges while performing skills if the questions relate to patient's condition and will be included in the scenario or judge script.

**Final Scoring**

- 20. The competitor must earn a score of 70% or higher on the combined skill(s) of the event (excluding the test and ID equipment/animal breeds) in order to be recognized as an award winner at the ILC.
  
- 21. Final rank is determined by adding the round one test score plus round two skill score. In case of a tie, the highest test score will be used to determined final placement.
